

Make a Plan Checklist

- Find out if you are registered to vote. **Check your status.**
- Register to vote if you need to.** Update your existing registration if any of your information has changed.
- Find out the primary and general election dates in your state. **Put election dates on your calendar.**
- Request a vote-by-mail ballot** if you want to vote by mail.
- Find your polling place.** Be sure to take note of any accessibility challenges you might face.
- If you need some instructions or want a demonstration of your district's voting system or accessible equipment, **contact your Supervisor of Elections.**
- Check out what a **sample ballot** looks like. If you did not receive one in the mail, most Supervisors of Elections have them posted on their websites.
- Arrange any transportation** help you might need. Do this in well advance, not on the day you need a ride.
- See what the **candidates** have to say: Visit the 2020 Candidates page.
- Don't forget to **VOTE** in the primary and in the general elections.
- Remember: your voice and vote matters!**
